

Geo-Loop Inc.

Deep Set Hose Reel

The leader in geothermal and water well grouting equipment.

Massive and ready for almost any assignment, the **Geo-Loop Deep Set Hose Reel** holds an amazing 1000' of 1 1/4" grout hose. With incredible features including a smooth 360 degree swivel base, free wheeling capability, and a powerful hydraulic motor, you will be finished in less time than you ever dreamed possible with approximately 150' per minute travel speed. Check out the chain driven forward and reverse on the finest hose reel available today, the **Geo Loop Deep Set Hose Reel!**

Huge capacity---Saves labor and time!

Designed and built by professionals who understand *YOUR* needs.

Deep Set Hose Reel

Features:

- Enormous diameter spool holds over 1000' of 1 1/4" grout hose
- Industrial strength 2000 series Char-lynn hydraulic motor
- Hydraulically-driven forward and reverse
- Free wheeling spool capability
- Powerful high torque reel for deep grouting depths
- Smooth swivel base for easy 360 degree access to wells
- Quick couplers for hydraulics, no special tools required
- Operates off Geo-Loop grout pump hydraulic system or can be operated off of auxiliary hydraulic unit (eg. skid loader)
- Full length fork lift pockets on both ends of the framework
- Durable powder coat paint finish
- 70" outside diameter spool, 42" inside diameter spool, 24" wide
- Approximately 1,000 pounds

Options:

- Remote control
- Depth counter
- Hydraulic power pack-great if you need your own power source
- Well head reel

When you're ready for large hose reel capability, step up to the **Geo-Loop Deep Set Hose Reel!** This reel makes water well abandonment a breeze and will hold up for years in the most difficult conditions. Powered by the finest industrial strength hydraulic motor on the market, this reel can get the job done in a hurry. The chain driven spool with approximately 150' per minute travel speed, saving you time and labor expense is a must for geothermal repetitive grouting. The 360 degree swivel base is so handy and the free wheeling ability is user-friendly. Let us help you increase your productivity with the **Geo-Loop Deep Set Hose Reel** today!
